

To All EMS Providers;

Please note that the EMS Conference by Clarian Health with Dr. Bartkus and Dr. Bjerke originally scheduled for the 25th of March has been temporarily postponed due to scheduling conflicts and will be re-scheduled at another date. My apologies for any inconveniences this may produce. If you would like to receive updates for monthly Morgan Co. EMS Association continuing education opportunities or be added to our e-mail list please feel free to reply to MorgCoEMSA@MSN.COM. Failure to reply will result in your being dropped from our list.

Thank you,

Steve Brock Paramedic
President
